## NEW FACES AT THE NEGAUNEE POLICE DEPARTMENT

At the end of last year Officer Michael Van Straten retired from our department after serving for over 30 years. In May of 2008 Officer Christopher Aldrich moved on to the Marquette City Police Department. The result of their departures is two new faces at the Negaunee PD:

### Officer Brian Kurin

Brian Kurin was hired in March 2008 to fill the vacancy left by Officer Van Straten's retirement. Originally from Alger County, Brian graduated from Northern Michigan University with a Bachelor of Science degree in Criminal Justice and also attended the police academy at Northern Michigan University. He is looking forward to developing himself as an officer and serving the city he now calls home.

### Officer John Rink

John Rink was hired in May 2008 following the departure of Officer Chris Aldrich. He is a Grand Valley State University graduate with a Bachelor of Science degree in Sociology, and he attended the police academy at West Shore Community College in Scottville, MI. He and his wife have roots in Marquette County and were happy to get the chance to return to the area.

We look forward to having these two young men patrolling the streets of Negaunee and hope you will say hello to them if you should see them around. And, as always, you should feel free to stop by the department to speak with any officer.
