

BEACH/PARK USE POLICY

The following rules shall apply to the use of the Teal Lake beach and park area. The rules apply to both the designated swimming area (beach) and the non-designated swimming area of the park unless otherwise stated.

- a) No operation of motorized vehicles in the park/beach area.
- b) Alcoholic beverages shall not be consumed in the park/beach area.
- c) Watercraft may be launched only at a designated launch site.
- d) Swimming in the designated swimming area and beach shall be limited to the months of May to September and times of 7:00am to 12:00am.
- e) No swimming or wading in the designated boat mooring area unless directly related to the mooring or launching of watercraft.
- f) Motor vehicle parking for use of the park/beach area shall be as designated and directed from time to time through traffic orders as requested by the council.
- g) The City Recreation Commission shall review and authorize special recreational uses of this park/beach, such as organized group swimming lessons, beach volleyball, etc.
- h) No structures, equipment, materials, vehicles, or boats may be stored or left overnight in the park/beach area.
- i) No pets or domestic animals shall be permitted in the park/beach area.
- j) No overnight camping.
- k) Bicycles shall not be used in the park/beach area, but may be operated in the boulevard and parked in designated areas or stand.
- l) No glass containers shall be possessed or used in the beach area.
- m) Organized groups shall request prior Council approval between January 1 and April 1 of each year for proposed use of the park/beach area for private group activities that use or occupy significant portions of the park/beach area and that may hinder or interfere with the general public use of the park/beach. The council may impose conditions on the proposed use for public health, safety and welfare and maintenance of the park.
- n) Permit requests for use of all or a portion of the park by groups for organized public events shall be submitted to the Council between January 1 and April 1 of each year and the Council may impose conditions on the proposed use for public health, safety and welfare, and maintenance of the park.
