

CITY OF NEGAUNEE PARKS & RECREATION DEPARTMENT

NEGAUNEE ICE ARENA

141 Rail St.
(906) 475-7900

The Negaunee Ice Arena is one of the finest indoor ice facilities in our area. This City facility was constructed through the generous assistance of numerous volunteer groups and with donations from many businesses and residents from our area. The arena is used daily from late fall through early spring (winter months) for hockey, figure skating and open skating. Many different groups and teams use the facility. However, we attempt to have the arena open daily to the public. Times vary for each day. Also, the arena and ice are available for rental for birthday parties and family gatherings.

The Negaunee Ice Arena is home to the Iron Range Hockey Association. They are a House League Hockey Association for Mites through Midget levels, both boys and girls, and the home of the Negaunee Miners High School Hockey Team. They are affiliated with both USA Hockey and Michigan Amateur Hockey Association. More information on this group can be found here:

www.ironrangehockey.com

From late spring until early fall the facility is available for banquets and wedding receptions. Many dates are available for 2009. For more information on building rental, please contact the Ice Arena.
