

April 2004

### **BEACH/PARK USE POLICY**

The following rules shall apply to the use of the Teal Lake beach and park area. The rules apply to both the designated swimming area (beach) and the non-designated swimming area of the park unless otherwise stated.

- a) No operation of motorized vehicles in the park/beach area.
- b) Alcoholic beverages shall not be consumed in the park/beach area.
- c) Watercraft may be launched only at a designated launch site.
- d) Swimming in the designated swimming area and beach shall be limited to the months of May to September and times of 7:00am to 12:00am.
- e) No swimming or wading in the designated boat mooring area unless directly related to the mooring or launching of watercraft.
- f) Motor vehicle parking for use of the park/beach area shall be as designated and directed from time to time through traffic orders as requested by the council.
- g) The City Recreation Commission shall review and authorize special recreational uses of this park/beach, such as organized group swimming lessons, beach volleyball, etc.
- h) No structures, equipment, materials, vehicles, or boats may be stored or left overnight in the park/beach area.
- i) No pets or domestic animals shall be permitted in the park/beach area.
- j) No overnight camping.
- k) Bicycles shall not be used in the park/beach area, but may be operated in the boulevard and parked in designated areas or stand.
- l) No glass containers shall be possessed or used in the beach area.
- m) Organized groups shall request prior Council approval between January 1 and April 1 of each year for proposed use of the park/beach area for private group activities that use or occupy significant portions of the park/beach area and that may hinder or interfere with the general public use of the park/beach. The council may impose conditions on the proposed use for public health, safety and welfare and maintenance of the park.
- n) Permit requests for use of all or a portion of the park by groups for organized public events shall be submitted to the Council between January 1 and April 1 of each year and the Council may impose conditions on the proposed use for public health, safety and welfare, and maintenance of the park.
