## Memo

Date: 9/18/2023

To: The Honorable Mayor and City Council

From: Pat Ketola

Subject: Transfer of funds from MCOLES Public Safety Academy Assistance Grant

Honorable Mayor and City Council,

The State of Michigan through MCOLES (Michigan Commission on Law Enforcement Standards) allocated \$30,000,000.00 in total funding for grants to law enforcement agencies for basic law enforcement training academies and salaries for employed recruits.

The City applied for and was approved for the maximum amount allowed, \$24,000.00.

Of the applicants interviewed, Tyler Windahl, was selected and attended the NMU Regional Police Academy for 16 weeks and upon graduating, was sworn in and began working for the police department on 8/21/2023.

The MCOLES grant money has been received and we are requesting a budget adjustment to comply with the grant requirements.

### Revenue:

101.000.539.400 MCOLES Grant - \$24,000.00

### Expenses:

101.301.863.000 Inservice Training - \$6,440.00 (Cost of NMU Police Academy)

101.301.702.000 Personal Services - \$17,560.00 (Recruit Salary)

The MCOLES grant has allowed the City to sponsor a recruit through a police academy with no additional costs. The grant has been wildly successful throughout Michigan by helping attract applicants to the law enforcement profession who may have otherwise been unable to afford the costs associated with becoming a licensed law enforcement officer.

Thank you for your time and consideration.

Respectfully submitted,

Pat Ketola
