

Premier Polysteel Accessible Picnic Tables

Timeless Beauty and Unmatched Durability

Premier Polysteel's commercial quality picnic tables are our #1 best seller, and for good reason! The line of Champion style picnic tables allows everyone to enjoy spacious and comfortable al fresco dining. The heavy duty picnic tables are *completely coated* with 1/8+ inch of plastisol (poly-vinyl). Coated legs and support braces guarantee that your picnic tables will look beautiful for years to come. They are built tough and stable, so no sagging or tipping to worry about. Premier Polysteel outdoor furniture is built to last a lifetime in all climates. Wind, sand, salt, chlorine, rain, and snow are no match for Premier Polysteel.

For these reasons we are able to offer a **20 Year Best-in-Industry Warranty!**
