

# You now have access to even more books!

Learn how to sign into a partner library:

1. Go to Menu > **Add A Library**.
2. Search for the partner library and open it.
3. Go to Menu > **See Library Cards**.
4. Tap **Add A Card**, then **I'm Visiting From Another Library**.
5. Choose your normal library from the list and sign in.

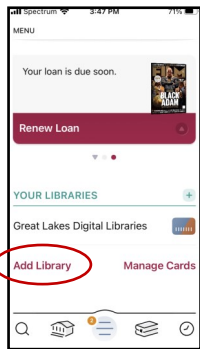

## How does over 200,000 titles sound?!

Your Great Lakes Digital Library is now in partnership with four large institutions to have shared access to digital collections.

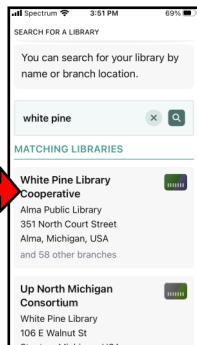

### Our new partner libraries:

- White Pine Library Cooperative “Fuel Your Mind Digital Collection”
- Suburban Library Cooperative
- Midwest Collaborative for Library Services
- Lakeland Digital Library
- Download Destination

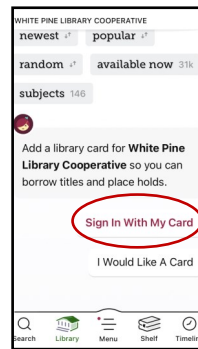

**Step 1:** Go to the **Libby** menu at the bottom left of the screen and select **Add Library**

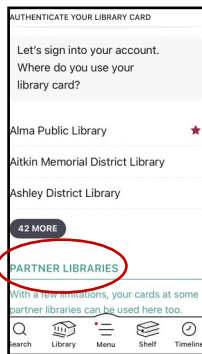

**Step 2:** Search for a partner library and select it.

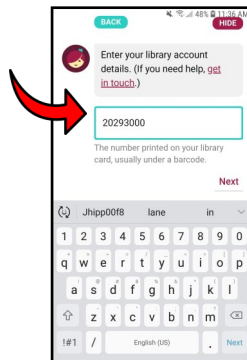

**Step 3:** Go to the **Libby** menu at the bottom of the screen again and select **Sign in With My Card**

**Step 4:** Scroll to **Partner Libraries** and select your library

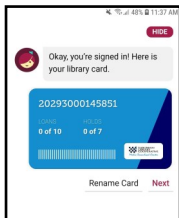

**Step 8:** Sign in with your barcode and PIN

You have successfully added a new library card!

Repeat these steps for the remaining partnering libraries.

### REMINDER:

Each library collection has its own search. You will need to switch between libraries to see their collections.

Your shelves will show your items from all the different libraries together.
